

Safety & Etiquette

Ride responsibly. Respect the trail. Protect the experience for everyone.

Helmets & Protective Gear

- Helmets must meet CSA D230, Snell Foundation, DOT (FMVSS 218), or ANSI Z90.1 standards.

SXS & ATV Requirements

- Insurance, a valid plate, and registration are required on all pilot roads.
- Vehicles must meet all safety and ORV standards, as well as PEI Highway Traffic Act definitions.
- Acceptable noise levels are required.

Rules for Riders

- Stay on designated trails; do not trespass or disrupt private property.
- Avoid sensitive or restricted areas, especially wetlands and shores.
- Cross only at designated points. Yield to pedestrians, cyclists, and horses; stop and turn off the engine for horses.
- Take out all waste; know and follow laws, signs, and directions from officials.
- Carry a PEI ATV Federation trail permit; always wear a helmet when moving.
- Operate safely and avoid excessive noise.

Trail Etiquette

- Yield to non-ATV users. Stay off private or closed trails.
- Keep speed and RPMs low near others; obey law enforcement.
- Use only designated trails. Protect young plants, avoid sensitive areas, and pack out litter.
- Walk to scenic or cultural areas; do not disturb wildlife.
- Avoid sudden manoeuvres; use bridges and cross only at designated spots.
- Adjust riding for the season and location; do not take shortcuts.
- In groups, indicate the number of riders to others; the last rider holds up a fist.
- Follow all provincial and local laws; ride within your abilities.
